- A. **WHEREAS** the Plaintiff commenced an action on behalf of putative class members for, *inter alia*, damages for misrepresentation under ss 130 and 138.3(1) of the *Securities Act*, RSO 1990, c S.5, as amended (“**OSA**”) in Court File No. CV-22-00676682-00CP (“**Action**”);
- B. **AND WHEREAS** the Settling Defendants have denied and continue to deny all of the Plaintiff’s claims in the Action and any resulting damages;
- C. **AND WHEREAS**, on January 4, 2024, the Court approved the discontinuance of the Action against the Underwriters, subject to the terms of a Standstill and Tolling Agreement between the Plaintiff and the Underwriters dated June 7, 2023;
- D. **AND WHEREAS** counsel for each of the Plaintiff and Gatos Silver, Inc. (“**Gatos Silver**”), Stephen Orr, Roger Johnson, and Philip Pyle have engaged in arm’s length settlement discussions and negotiations, including with the assistance of a mediator, resulting in this settlement agreement (“**Settlement**” or “**Agreement**”);
- E. **AND WHEREAS**, in respect of the Action, Gatos Silver has contractual obligations to indemnify the Electrum Defendants and the Underwriters;
- F. **AND WHEREAS** no documentary discovery has occurred in the Action, and examinations for discovery remain to be scheduled;
- G. **AND WHEREAS** the Plaintiff, with the benefit of advice from Class Counsel (defined below), has concluded that this Agreement, which resolves finally and completely the Action against the Settling Defendants, is fair, reasonable and in the best interests of the putative class members based upon an analysis of the facts and law applicable to the issues in this Action, and taking into account factors including the burdens, complexities, risks and expense of continued litigation, any potential appeals, and the potential risks to recovery in continuing the Action;

NOW THEREFORE, in consideration of the covenants, agreements and releases set forth in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is

hereby acknowledged, it is agreed by the Plaintiff and the Settling Defendants (together, the “**Parties**”) that the Action be settled and dismissed on the merits with prejudice and without costs, subject to the approval of the Court, on the following terms and conditions.

SECTION 1- SETTLEMENT BENEFITS

Payment of Settlement Amount

- 1.1 Within thirty (30) calendar days of the execution of this Agreement, Gatos Silver shall pay into the Escrow Account (as defined in section 2.1 below) pending Court approval of this settlement, the all-inclusive sum of three million United States dollars (US \$3,000,000.00) (“**Settlement Amount**”) in full and final settlement of the claims against the Settling Defendants in the Action.

SECTION 2- SETTLEMENT AMOUNT TO BE HELD IN TRUST

- 2.1 Siskinds LLP (“**Siskinds**”) (together with Eighty-One West Law Professional Corporation and CFM Lawyers LLP, “**Class Counsel**”) shall maintain an escrow account to hold the Settlement Amount in trust for the benefit of the Settlement Class defined in section 5 below (“**Escrow Account**”).
- 2.2 Except as expressly provided herein, all interest earned on the Settlement Amount shall accrue to the benefit of the Settlement Class and shall become and remain part of the Settlement Amount in the Escrow Account (“**Escrow Settlement Amount**”).

Taxes on Interest

- 2.3 Subject to section 2.4, all taxes payable on any interest which accrues on or otherwise in relation to the Escrow Settlement Amount shall be the responsibility of the Plaintiff and the Settlement Class. Class Counsel or the claims administrator appointed by the Court (“**Administrator**”) shall be solely responsible to fulfil all tax reporting and payment requirements arising from the Escrow Settlement Amount, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Amount shall be paid from the Escrow Account.

2.4 Other than as expressly set out herein, the Settling Defendants shall have no responsibility in any way related to the Escrow Account, including, but not limited to, making any filings relating to the Escrow Account, paying tax on any income earned by the Settlement Amount, or paying any taxes on the monies in the Escrow Account, unless this Agreement is terminated, in which case any interest earned on the Settlement Amount shall be paid to Gatos Silver which, in such case, shall be responsible for the payment of any taxes on such interest not previously paid by Class Counsel or the Administrator.

Transfer of the Escrow Settlement Amount to the Administrator

2.5 Within ten (10) days of the date on which the Second Order under section 6.1 becomes a final order (“**Effective Date**”), Siskinds shall transfer control of the Escrow Account and the Escrow Settlement Amount therein to the Administrator, but before doing so Siskinds may deduct and retain from the Escrow Settlement Amount the Class Counsel Fees (as defined in section 6.3) approved by the Court.

2.6 Upon the transfer of the Escrow Account to the Administrator, the Administrator shall maintain the Escrow Settlement Amount in the Escrow Account under the control of the Administrator and hold the Escrow Settlement Amount in trust as provided for in this Agreement.

No Reversion

2.7 Unless this Agreement is terminated as provided herein, Gatos Silver shall not be entitled to the repayment of any portion of the Settlement Amount and then only to the extent of and in accordance with the terms provided herein.

SECTION 3- EFFECT OF SETTLEMENT

No Admissions or Concessions

- 3.1 This Agreement, whether or not it is terminated, and anything contained in it, and any and all negotiations, discussions, and communications associated with this Agreement, shall not be deemed, construed or interpreted to be:
- (a) an admission or concession by the Settling Defendants of any fact, fault, omission, wrongdoing, liability or damage, or of the truth of any of the claims or allegations made against them in the Action; or
 - (b) an admission or concession by the Plaintiff, Class Counsel or the Settlement Class of any weakness in the claims of the Plaintiff and the Settlement Class, or that the consideration to be given hereunder represents the amount that could or would have been recovered from the Settling Defendants after trial of the Action.

Agreement Not Evidence nor Presumption

- 3.2 This Agreement, whether or not it is terminated, and anything contained in it, and any and all negotiations, documents, discussions and proceedings associated with this Agreement, and any action taken to implement this Agreement, shall not be offered or received in evidence in any pending or future civil, criminal, quasi-criminal, administrative action or disciplinary investigation or proceeding in any jurisdiction:
- (a) against the Settling Defendants, as evidence, or a presumption, concession or admission of any fact, fault, omissions, wrongdoing or liability, or of the truth of any of the claims or allegations made against them in the Action; or
 - (b) against the Plaintiff, Class Counsel or the Settlement Class, as evidence, or a presumption, of a concession or admission:
 - (i) of any weakness in the claims of the Plaintiff and the Settlement Class; or

- (ii) that the consideration to be given hereunder represents the amount that could or would have been recovered from the Settling Defendants after trial of the Action.

3.3 Notwithstanding section 3.2, this Agreement may be referred to or offered as evidence to obtain the orders or directions from the Court contemplated by this Agreement, in a proceeding to approve or enforce this Agreement, to defend against the assertion of Released Claims defined in section 9 below, or as otherwise required by law.

SECTION 4- REQUIRED STEPS

Reasonable Efforts

4.1 The Parties shall take all reasonable steps to effectuate the Settlement and to secure the prompt, complete and final dismissal with prejudice of the Action on a without costs basis as against the Settling Defendants, including cooperating in the Plaintiff's efforts to obtain the approval and orders required from the Court regarding the approval or implementation of the Settlement.

Action in Abeyance

4.2 Until the Effective Date or until this Agreement is terminated in accordance with its terms, whichever occurs first, the Plaintiff agrees to hold in abeyance all other steps in the Action as they relate to the Settling Defendants, other than the motions contemplated by this Agreement and such other matters required to implement the terms of this Agreement.

SECTION 5- FIRST MOTION

Motion Seeking Approval of Notice and Certification

5.1 As soon as practicable after this Agreement is executed, the Plaintiff shall bring a motion for an order, substantially in the form attached hereto as **Appendix A** or in such other form as agreed upon by the Parties in writing ("**First Order**"), which, among other things, approves the notices described in section 7.1 and certifies the Action as a class proceeding under the *Class Proceedings Act, 1992*, SO 1992, c 6 as against the Settling Defendants

(for settlement purposes only) on behalf of the following class (“**Settlement Class**” or “**Settlement Class Members**”):

All persons and entities (other than Excluded Persons), wherever they may reside or be domiciled, who:

- (i) purchased Gatos Silver securities under the Impugned Prospectuses and in the distributions to which they related; or
- (ii) acquired Gatos Silver securities during the Class Period on any Canadian exchange (including, without limitation, the Toronto Stock Exchange) or any Canadian alternative trading system.

For the purposes of the above class definition:

“**Class Period**” means the period from October 28, 2020 until January 25, 2022 at 6:52 p.m. Eastern Standard Time.

“**Electrum Defendants**” means The Electrum Group LLC, Electrum Silver US LLC, and Electrum Silver US II LLC.

“**Excluded Persons**” means Gatos Silver, Stephen Orr, Roger Johnson, Philip Pyle, the Tetra Tech Defendants, the Electrum Defendants and the Underwriters; the respective past and present subsidiaries, affiliates, officers, directors, senior employees, partners, legal representatives, heirs, predecessors, successors and assigns of Gatos Silver, Tetra Tech, the Electrum Defendants, and the Underwriters; and the immediate family members of Stephen Orr, Roger Johnson, Philip Pyle, Guillermo Dante Ramirez-Rodriguez and Kira Lyn Johnson; provided, however, that any “Investment Vehicle” shall not be excluded from the class. “Investment Vehicles” means any investment company, pooled investment fund, or separately managed account (including, but not limited to, mutual fund families, exchange traded funds, funds of funds, private equity funds, real estate funds, hedge funds, and employee benefit plans) in which the Underwriters, or any of them, have, has, or may have a direct or indirect interest, or as to which its affiliates may serve as a fiduciary or act as an investment advisor, general partner, managing member, or in any other similar capacity, but in which any of the Underwriters alone or together, with its, his, or her respective affiliates, is not a majority owner or does not hold a majority beneficial interest.

“**Impugned Prospectuses**” means Gatos Silver’s Base Prep Prospectus dated October 27, 2020 and Supplemented Prep Prospectus dated October 27, 2020, and Gatos Silver’s Short Form Base Shelf Prospectus dated July 12, 2021 and Prospectus Supplement dated July 15, 2021.

“**Tetra Tech Defendants**” means Tetra Tech, Inc., Guillermo Dante Ramirez-Rodriguez, and Kira Lyn Johnson.

“**Underwriters**” means BMO Nesbitt Burns Inc., Goldman Sachs Canada Inc., RBC Dominion Securities Inc., Canaccord Genuity Corp., and CIBC World Markets Inc.

5.2 The Parties agree that the only common issue that the Plaintiff will seek to define (for settlement purposes only) is:

Did the Impugned Documents (as that term is defined in the Second Fresh as Amended Statement of Claim) contain misrepresentations within the meaning of the *OSA*?

5.3 The Settling Defendants will consent to certification of the Action as a class proceeding, pursuant to sections 2, 5 and 6 of the *Class Proceedings Act, 1992*, SO 1992, c 6 only for the purpose of the approval of the Settlement.

5.4 The Settling Defendants will consent to the First Order.

5.5 The Parties agree that the certification of the Action as a class proceeding against the Settling Defendants is for the sole purpose of effecting the Settlement. In the event that this Agreement is terminated as provided herein, any certification order binding the Settling Defendants shall be vacated or set aside as set out herein and shall be without prejudice to any position that any of the Parties may later take on any issue in the Action including in a subsequent certification motion. In particular, the fact of the Settling Defendants’ consent to certification for settlement purposes shall not be deemed to be an admission that the Plaintiff has met any of the requisite criteria for certification of the Action as a class proceeding, or the requirements for leave to proceed under s. 138.8(1) of the *Securities Act*, RSO 1990, c. S.5.

5.6 Gatos Silver shall at its own expense, forthwith upon entry of the First Order, deliver or cause to be delivered to the Administrator:

- (a) an electronic list of all persons identified in the records of its Canadian transfer agent as registered or beneficial owners of Gatos Silver securities who acquired Gatos Silver securities before the end of the Class Period, and held those shares at

the end of the Class Period, along with such information as may be available to facilitate the delivery of notice to those persons; and

- (b) an electronic list of all persons who acquired Gatos Silver securities under the Impugned Prospectuses and in the distributions to which they related, along with such information as may be available to facilitate the delivery of notice to those persons.

- 5.7 The Administrator may use the information obtained under section 5.6 for the purpose of delivering the First Notices and Second Notices (defined below) and for the purposes of administering and implementing this Agreement, the plan of notice and the Plan of Allocation (defined below), but the Administrator shall otherwise keep confidential the information obtained under section 5.6.
- 5.8 For greater certainty, any information obtained or created in the administration of this Agreement is confidential and, except as required by law, shall be used and disclosed only for the purpose of distributing notices and the administration of this Agreement and the Plan of Allocation (defined below).

SECTION 6- SECOND MOTION

Motion Seeking Approval of this Agreement

- 6.1 The Plaintiff shall bring a motion for an order substantially in the form attached hereto as **Appendix E** or in such other form as agreed upon by the Parties in writing (“**Second Order**”), which, among other things, approves this Agreement and dismisses the Action as against the Settling Defendants as of the Effective Date, as soon as practicable after:
 - (a) the First Order referred to in section 5.1 has been granted; and
 - (b) the notices described in section 7.1 have been published.
- 6.2 The Settling Defendants will consent to the Second Order.

Motion for Approval of Class Counsel Fees

- 6.3 Immediately following the motion for the Second Order under section 6.1, Class Counsel may seek the approval of fees, disbursements, costs, interest thereon in accordance with the *Class Proceedings Act, 1992*, SO 1992, c 6, s 33(7)(c) plus HST and other applicable taxes or charges of Class Counsel (“**Class Counsel Fees**”), to be paid as a first charge on the Settlement Amount. Class Counsel are not precluded from making additional motions to the Court for expenses incurred as a result of implementing the terms of the Agreement.
- 6.4 The Settling Defendants acknowledge that while they will be served with the motion materials for approval of Class Counsel Fees and their counsel are entitled to attend any motion for approval of Class Counsel Fees, that they are not parties to the motion concerning the approval of Class Counsel Fees, they will have no involvement in the approval process to determine the amount of Class Counsel Fees and they will not take any position or make any submissions to the Court concerning Class Counsel Fees, except as requested and required by a Court.
- 6.5 The procedure for and the allowance or disallowance by the Court of any requests for Class Counsel Fees to be paid out of the Settlement Amount are not part of the Settlement provided for herein and are to be considered by the Court separately from its consideration of the fairness, reasonableness, and adequacy of the Settlement provided for herein.
- 6.6 Any order or proceeding relating to Class Counsel Fees, or any appeal from any order relating thereto or reversal or modification thereof, shall not operate to terminate or cancel this Agreement or affect or delay the finality of the Second Order and the Settlement of this Action provided herein.

Motion for Approval of Plan of Allocation

- 6.7 On or following the motion for the Second Order under section 6.1, the Plaintiff will seek the approval of a procedure for the determination of eligible claims and the amount of those claims, and the subsequent payment of them (“**Plan of Allocation**”).

- 6.8 The proposed Plan of Allocation will not form part of this Settlement Agreement, and the approval and/or the effect of this Settlement Agreement will not be contingent on either the approval of the proposed Plan of Allocation or the presentation of the proposed Plan of Allocation on the motion for the Second Order under section 6.1.
- 6.9 The Settling Defendants shall not have standing to make submissions regarding the proposed Plan of Allocation.
- 6.10 After the Effective Date, the amount available in the Escrow Account for distribution pursuant to the Plan of Allocation after payment of all Class Counsel Fees, all Administration Expenses and all other expenses approved by the Court (“**Net Settlement Amount**”) will be disbursed by the Administrator in accordance with the Plan of Allocation or as otherwise directed by the Court. In this Agreement, “**Administration Expenses**” means all fees, disbursements, expenses, costs, taxes and any other amounts incurred or payable in relation to the notice, approval, implementation and administration of the Settlement, including the costs of publication and delivery of notices, fees, disbursements and taxes paid to the Administrator, which shall be paid from the Escrow Settlement Amount. For greater certainty, Administration Expenses do not include Class Counsel Fees.

SECTION 7- NOTICES

First Notices

- 7.1 As soon as practicable following entry of the First Order, Class Counsel shall cause the first round of notices to be published and distributed in accordance with the direction of the Court and the Notice Plan attached hereto to at **Appendix B**. The notices shall be substantially in the form attached as **Appendix C** (“**Short-Form First Notice**”) and **Appendix D** (“**Long-Form First Notice**”) (together, “**First Notices**”).
- 7.2 The costs of publishing and distributing the First Notices shall be paid from the Escrow Settlement Amount as and when incurred.

Report to the Court as to Notice

7.3 After publication and dissemination of the First Notices, Class Counsel shall file with the Court an affidavit confirming publication and dissemination of the First Notices.

Opt-outs and Objections

7.4 The Plaintiff and Class Counsel represent and warrant that as of the date of execution of this Agreement they are not aware of any Settlement Class Member who has expressed an intention to opt out of the Settlement or the Settlement Class or expressed an intention to object to this Settlement and that they will not encourage any Settlement Class Member to do so.

7.5 Settlement Class Members who wish to file with the Court an objection to or comment on this Agreement, shall deliver to Class Counsel a written statement in accordance with the terms of, and by the deadline set out in, the First Order and the First Notices.

7.6 Opt-out Parties will be excluded from any and all rights and obligations arising from the Settlement. Class Members who do not opt-out shall be bound by the Settlement and the terms of this Agreement.

Second Notices

7.7 As soon as practicable following entry of the Second Order, Class Counsel shall cause the second round of notices to be published and distributed in accordance with the direction of the Court and the Notice Plan attached hereto to at **Appendix H**. The notices shall be substantially in the form attached as **Appendix F (“Short-Form Second Notice”)** and **Appendix G (“Long-Form Second Notice”)** (together, “**Second Notices**”).

7.8 The costs of publishing and distributing the Second Notices shall be paid from the Escrow Settlement Amount as and when incurred.

SECTION 8- TERMINATION

Automatic Termination

- 8.1 This Agreement shall, without notice, be automatically terminated if:
- (a) the First Order is not granted by the Court;
 - (b) the First Order is reversed on appeal and the reversal becomes a final order;
 - (c) the Second Order is not granted by the Court; or
 - (d) the Second Order is reversed on appeal and the reversal becomes a final order.

Opt Out Threshold

- 8.2 For the purposes of sections 8.2 to 8.6 hereof:
- (a) **“Eligible Securities”** means Gatos Silver securities, the acquisition of which makes a person a Settlement Class Member or, in the case of an Opt Out Party, Gatos Silver securities, the acquisition of which would have made the person a Settlement Class Member if he, she or it had not excluded himself, herself or itself from the Settlement Class in accordance with paragraphs 15 to 17 of the Order of the Court dated January 4, 2024;
 - (b) **“Opt Out Party”** or **“Opt-Out Parties”** means any and all persons who would otherwise be a Settlement Class Member but who opt out of the Action in accordance with paragraphs 15 and 17 of the Order of the Court dated January 4, 2024; and
 - (c) **“Opt Out Threshold”** means the number of Eligible Securities held by Opt Out Parties confidentially agreed upon by the Plaintiff and the Gatos Defendants in the Collateral Agreement entered into by the Plaintiff and the Gatos Defendants (**“Collateral Agreement”**) as giving rise to the Gatos Defendants’ right to terminate the Agreement pursuant to section 8.4.

- 8.3 No later than five (5) days after the deadline established by the Court for the delivery by any Settlement Class Member of any written request to exclude him, her or itself from the Action, Class Counsel shall notify the Settling Defendants of the number of Eligible Securities of Opt Out Parties and such particulars provided by such Opt Out Parties in support of their request to exclude themselves from the Settlement Class in accordance with paragraphs 15 to 17 of the Order of the Court dated January 4, 2024.
- 8.4 The Gatos Defendants shall have the right to terminate this Agreement within fifteen (15) days, or on a later date on the consent of the Parties, of being notified by Class Counsel that the number of Eligible Securities of Opt Out Parties exceeds the Opt Out Threshold.
- 8.5 The right to terminate this Agreement contemplated by section 8.4 may be exercised by any one or more of the Gatos Defendants notifying Class Counsel in writing of his, her or its intention to terminate the Agreement, which notification shall have the effect of terminating this Agreement for all Settling Defendants and the Underwriters.
- 8.6 The Opt Out Threshold shall be stated in the Collateral Agreement executed contemporaneously with the execution of this Agreement. The Opt Out Threshold shall be redacted in the Collateral Agreement that is filed with the Court or otherwise made available to the public. The Collateral Agreement, without redaction of the Opt Out Threshold, shall not be published and shall be kept confidential by the parties unless the Court orders its publication or disclosure.

Effect of Termination

- 8.7 In the event this Agreement is terminated in accordance with its terms:
- (a) the Parties will be restored to their respective positions prior to the execution of this Agreement;
 - (b) the Plaintiff and the Settling Defendants will consent to an order vacating or setting aside any order certifying this Action as a class proceeding and/or granting leave to proceed with the Action under s. 138.8(1) of the *Securities Act*, RSO 1990, c. S.5 for the purposes of implementing this Agreement and such order shall include a

declaration that the prior consent certification and leave of this Action for settlement purposes shall not be deemed to be an admission by the Settling Defendants that the Action met any of the criteria for certification as a class action or leave under s. 138.8(1) of the *Securities Act*, RSO 1990, c. S.5., and that no party to this Action and no other person may rely upon the fact of the prior consent certification and leave order for any purpose whatsoever;

- (c) the Escrow Settlement Amount will be returned to Gatos Silver in accordance with section 8.9(c) hereof;
- (d) this Agreement will have no further force or effect and no effect on the rights of the Parties except as specifically provided for herein;
- (e) all statutes of limitation applicable to the claims asserted in the Action shall be deemed to have been tolled during the period beginning with the execution of this Agreement and ending with the day on which the order contemplated by section 8.9(b) is entered;
- (f) any costs reasonably incurred by Class Counsel and paid out of the Escrow Account for the publication and dissemination of the First Notices and the Second Notices are non-recoverable from the Plaintiff, the Settlement Class Members and Class Counsel; and
- (g) this Agreement and the consent certification order will not be introduced into evidence or otherwise referred to in any litigation against the Settling Defendants.

8.8 Notwithstanding the provisions of section 8.7(d), if this Agreement is terminated, the provisions of this section 8 and sections 2.4, 3.1, 3.2, 7.2, 7.8 and the provisions of section 10 shall survive termination and shall continue in full force and effect.

Steps Required on Termination

- 8.9 If this Agreement is terminated pursuant to section 8, the Settling Defendants shall, within thirty (30) days after termination, apply to the Court, on notice to the Plaintiff, for an order:
- (a) declaring this Agreement null and void and of no force or effect except for the provisions of those sections listed in section 8.8;
 - (b) setting aside, *nunc pro tunc*, all prior orders or judgments entered by the Court in accordance with the terms of this Agreement, including any order certifying the Action as a class proceeding for the purposes of implementing this Agreement; and
 - (c) authorizing the payment of the Escrow Settlement Amount, including accrued interest, to Gatos Silver.
- 8.10 Subject to section 8.12, the Plaintiff shall consent to the order sought in any motion made by the Settling Defendants under section 8.9.

Notice of Termination

- 8.11 If this Agreement is terminated, a notice of the termination will be given to the Settlement Class. Class Counsel will cause the notice of termination, in a form approved by the Court, and at its cost to be published and disseminated as the Court directs.

Disputes Relating to Termination

- 8.12 If there is a dispute about the termination of this Agreement, the Parties agree that the Court shall determine the dispute on a motion made by a Party on notice to the other Party.

SECTION 9- RELEASES

- 9.1 Upon the Effective Date, and in consideration of payment of the Settlement Amount, and for other valuable consideration set forth in the Agreement, the Releasors forever and absolutely release, waive and discharge the Releasees from the Released Claims (all as defined below).

APPENDIX C - SHORT-FORM FIRST NOTICE

Plaintiff Reaches Further Settlement in Canadian Gatos Silver Securities Class Action

TORONTO, ON, ● – The Court-appointed representative of a class of shareholders of Gatos Silver, Inc. (“Gatos Silver”) has reached a settlement with the remaining Defendants in the class action, including Gatos Silver.

Gatos Silver has agreed to pay US\$3,000,000 to settle the claims made against it in the class action. In connection with the settlement, the action will be dismissed against (i) the directors, officers, and employees of Gatos Silver who were also named as Defendants; (ii) Electrum Silver and its affiliates which were also named as Defendants; and (iii) certain underwriters against which the action had previously been discontinued.

Tetra Tech, Inc. (“Tetra Tech”) previously paid C\$1,000,000 to settle the claims made against it in the class action. The Court approved the Tetra Tech settlement on ●.

The settlement class is defined as all persons and entities (other than certain “excluded persons”), wherever they may reside or be domiciled, who:

- (i) purchased Gatos Silver securities under Gatos Silver’s Impugned Prospectuses filed in October 2020 and July 2021 and in the distributions to which they related; or
- (ii) acquired Gatos Silver securities during the period from October 28, 2020 until January 25, 2022 at 6:52 p.m. Eastern Standard Time (“Class Period”) on any Canadian exchange (including, without limitation, the Toronto Stock Exchange) or any Canadian alternative trading system.

The class action was commenced following Gatos’s disclosure in late January 2022 that the mineral reserve statement for its Cerro Los Gatos mine in Mexico was affected by error and materially overstated. The Plaintiff alleges that, among other things, the materially overstated mineral reserve statement was incorporated in Gatos’s offering and continuous disclosure documents released throughout the Class Period.

The settlement and dismissal of the action against Gatos Silver and the other remaining Defendants is subject to the approval of the Ontario Superior Court of Justice. If approved by the Court, the settlement will settle, extinguish, and bar all claims of the Settlement Class against those Defendants relating in any way to or arising out of the proceeding. The settlement is a compromise of disputed claims. Gatos Silver and the other remaining Defendants do not admit any wrongdoing or liability.

The class is represented by the law firms of Siskinds LLP, Eighty-One West Law PC, and CFM Lawyers LLP (together, “Class Counsel”). Class Counsel is seeking the approval of legal fees not to exceed ●% of the Settlement Amount under the settlement with Tetra Tech (i.e. \$●) and ●% of the Settlement Amount under the settlement with Gatos Silver and the other remaining Defendants (i.e. \$●), plus disbursements and applicable taxes.

A hearing to approve the settlement with Gatos Silver and the other remaining Defendants will be held on ●, during which the Court will consider whether the proposed settlement and Class Counsel's fees and disbursements are fair and reasonable and should be approved, and consider a Plan of Allocation for the distribution of the net settlement funds to eligible Class Members. Class Members who wish to object to or comment on the settlement, Class Counsel's fee and disbursement request, or Plan of Allocation should do so by no later than ●. If the settlement is approved, all Class Members (who did not previously opt out) will be bound by it.

To be eligible for compensation from the settlements with Tetra Tech and Gatos Silver, Class Members must submit a Claim Form to the Administrator at [administrator's webpage] by [date].

For complete details regarding the proposed settlement, including how to object/comment and how to make a claim for compensation, please consult the long-form notice available, in English and French, on Class Counsel's websites at <https://www.cfmlawyers.ca/active-litigation/gatos-silver-inc-tsx-gato/> and <https://www.siskinds.com/class-action/gatos-silver/>, or visit [administrator's webpage].

The Gatos Settlement Agreement, if approved, will settle, extinguish, and bar all claims relating in any way to or arising out of the proceeding against the Gatos Defendants, the Electrum Defendants and the Underwriters.

WHO ARE THE LAWYERS WHO REPRESENT THE CLASS?

The law firms of Siskinds LLP, Eighty-One West Law PC, and CFM Lawyers LLP (together, “**Class Counsel**”) represent the plaintiff and the Settlement Class. Class Counsel will be paid on the basis of a court-approved contingency fee.

HEARING TO APPROVE SETTLEMENT AGREEMENT, CLASS COUNSEL FEES, AND THE PLAN OF ALLOCATION

On June 28, 2024 at 10:00 a.m., there will be a hearing before the Ontario Superior Court of Justice (“**Approval Motion**”) at which Class Counsel will seek the Court’s approval of the Gatos Settlement Agreement, and a Plan of Allocation for the distribution of the net settlement funds to eligible Class Members. At the Approval Motion, the Court will determine whether the Gatos Settlement Agreement is fair, reasonable and in the best interests of the Settlement Class.

In addition to seeking the Court’s approval of the Gatos Settlement Agreement, Class Counsel

IMPORTANT DEADLINE TO FILE CLAIM FOR COMPENSATION

Claims Bar Deadline (to file a claim for compensation): ●

THE NATURE OF THE CLAIMS ASSERTED

The Plaintiff’s class action was commenced shortly after Gatos’s disclosure in late January 2022 that the mineral reserve statement for its Cerro Los Gatos mine in southern Chihuahua State, Mexico, was affected by error and, in the result, materially overstated. The Plaintiff alleged that the impugned mineral reserve statement was incorporated in Gatos’s primary and secondary market disclosure documents throughout the Class Period. She sought damages for misrepresentations to investors who purchased shares in Gatos’s primary market offerings, and in the secondary market.

The Plaintiff’s claims were brought pursuant to section 130 and Part XXIII.1 of Ontario’s *Securities Act*, and in negligence, negligent misrepresentation, and unjust enrichment.

SETTLEMENT APPROVAL, FEE APPROVAL AND OTHER MATTERS

On ●, the Court approved the Plaintiff’s settlement with Gatos Silver. This Settlement provides for the payment of US\$3,000,000 by Gatos Silver in consideration of the full and final settlement of the claims of the Settlement Class Members against Gatos, Stephen Orr, Roger Johnson, Philip Pyle, the Electrum Defendants and the Underwriters. The Court previously approved the Plaintiff’s settlement with Tetra Tech for C\$1,000,000. These two amounts are together the “**Settlement Amount**”.

The Settlement Amount includes all legal fees, taxes and administrative expenses.

The Settlement Agreements are not an admission of liability, wrongdoing or fault on the part of the Defendants, all of whom have denied, and continue to deny, the allegations against them.

The Court awarded Siskinds LLP, Eight-One West Law P.C., and CFM Lawyers LLP (together, “Class Counsel”), total legal fees in the amount of ●, plus disbursements of ●, plus HST. As is customary in such cases, Class Counsel conducted the class action on a contingent fee basis. - a Gatos share acquired under either of Gatos’s October 2020 or July 2021 Canadian prospectuses which were receipted by Canadian securities regulatory authorities (or deemed to have been);
- (m) “**FIFO**” means “first in, first ot”, whereby for the purpose of determining a Canadian Claimants’ Recognized Loss, securities are deemed to be sold in the same order that they were purchased (e.g., the first Gatos shares purchased by a Claimant are deemed to be the first Gatos shares sold); and
- (n) “**Recognized Loss**” means an Authorized Canadian Claimant’s notional damages as calculated pursuant to the formulae set forth in this Plan of Allocation, which forms the basis upon which each Authorized Canadian Claimant’s *pro rata* share of the Canadian Net Settlement Fund is determined.

OBJECTIVE

2. The objective of this Plan of Allocation is to equitably distribute the Canadian Net Settlement Fund among Authorized Canadian Claimants.

CALCULATION OF MONETARY COMPENSATION AND DISTRIBUTION

3. All figures are in Canadian Dollars unless otherwise denoted.
4. The Canadian Net Settlement Fund will be distributed in accordance with this Plan of Allocation.
5. The Claims Administrator shall apply FIFO to determine the acquisition that corresponds to the disposition of a particular Gatos share, including in the calculation of an Authorized Canadian Claimant’s Recognized Loss. All Gatos share acquisitions and dispositions (including Gatos shares acquired or disposed of over an

exchange or platform in the United States) will be included in the Claim Administrator's determination of the acquisition that corresponds to the disposition of a particular Gatos share. However, only purchases or acquisitions of Eligible Canadian Gatos Shares can generate a Recognized Loss.

6. The Claims Administrator shall first determine a Canadian Claimant's Recognized Loss in accordance with paragraph 9 below. If the Canadian Claimant has a Recognized Loss greater than zero (0), they become an Authorized Canadian Claimant and the Claims Administrator will go on to calculate the Authorized Canadian Claimant's *pro rata* entitlement to compensation from the Canadian Net Settlement Fund. A Canadian Claimant without a Recognized Loss is ineligible for payment from the Canadian Net Settlement Fund.
7. Transfers of Gatos shares between accounts belonging to the same Canadian Claimant will not be taken into account in determining a Canadian Claimant's Recognized Loss.
8. The date of acquisition or disposition shall be the trade date of the transaction, as opposed to the settlement date of the transaction or the payment date.
9. A Canadian Claimant's Recognized Loss will be calculated as follows:
 - (a) There shall be no Recognized Loss for Gatos shares that are not Eligible Canadian Gatos Shares.
 - (b) For Eligible Canadian Gatos Shares disposed of on or before January 25, 2022 at 6:52 p.m. Eastern Time, the Recognized Loss shall be zero.
 - (c) For Eligible Canadian Gatos Shares disposed of in the ten trading days after the end of the Class Period (i.e. disposed of from January 26, 2022 to February 8, 2022, inclusive), the Recognized Loss shall be the difference between the Acquisition Expense and Disposition Proceeds.
 - (d) For Eligible Canadian Gatos Shares disposed of after the tenth trading day after the end of the Class Period (i.e. disposed of on or after February 9, 2022),

the Recognized Loss shall be the lesser of (i) and (ii):

- (i) the difference between the Acquisition Expense and Disposition Proceeds; and
 - (ii) the difference between the Acquisition Expense and \$3.97.¹
- (e) For Eligible Canadian Gatos Shares not yet disposed of, the Recognized Loss shall be the difference between the Acquisition Expense and \$3.97.
10. In applying the formulae in paragraph 9, acquisitions and dispositions of Eligible Canadian Gatos Shares in United States dollars shall be converted to Canadian dollars using the Bank of Canada USD:CAD daily exchange rate on the date of acquisition or disposition.
 11. Each Authorized Canadian Claimant's actual compensation will be the portion of the Canadian Net Settlement Fund equivalent to the ratio of his, her or its Recognized Loss to the total Recognized Loss of all Authorized Canadian Claimants, multiplied by the Canadian Net Settlement Fund, as calculated by the Claims Administrator.
 12. The Claims Administrator shall not make payments to Authorized Canadian Claimants whose *pro rata* entitlement under this Plan of Allocation is less than \$10.00. Such amounts shall instead be allocated *pro rata* to other Authorized Canadian Claimants.
 13. Compensation shall be paid to Authorized Canadian Claimants in Canadian currency.
 14. If, one hundred eighty (180) days from the date on which the Claims Administrator distributes the Canadian Net Settlement Fund to Authorized Canadian Claimants, the Escrow Account remains in a positive balance (whether due to tax refunds, uncashed cheques, or otherwise), the Claims Administrator shall, if feasible, reallocate such balance among the Authorized Canadian Claimants in an equitable and economic

fashion. In the event any such remaining balance is less than may practically be distributed to Authorized Canadian Claimants in the opinion of Class Counsel and the Claims Administrator, such balance shall be allocated *cy près* to one or more recipients to be approved by the Court.

IRREGULAR CLAIMS

15. The claims process is intended to be expeditious, cost effective and “user friendly” to minimize the burden on Canadian Claimants. The Claims Administrator shall, in the absence of reasonable grounds to the contrary, assume Canadian Claimants to be acting honestly and in good faith. The Claims Administrator shall use email for correspondence with Canadian Claimants to the maximum extent possible.
16. The Claims Administrator shall ensure that only Eligible Canadian Gatos Shares are eligible for compensation under this Plan of Allocation. In making this determination with respect to shares acquired on an Exchange or an ATS, the Exchange or ATS code in the transaction records provided by the Canadian Claimant will be determinative. If there is no Exchange or ATS code in the transaction records provided, the Claims Administrator will evaluate the Claim holistically and determine whether a share is an Eligible Canadian Gatos Share in their discretion. The Claims Administrator may, in its discretion, seek additional information from a Canadian Claimant where necessary to make the determination.
17. For clarity, a person may be both a Class Member and a member of the settlement class in the action styled *Bilinsky v. Gatos Silver, Inc. et. al.*, commenced on February 22, 2022, in the United States District Court for the District of Colorado, but

only Eligible Canadian Gatos Shares will be eligible for compensation from the Canadian Net Settlement Fund.

18. Where a Claim contains minor omissions or errors, the Claims Administrator shall correct such omissions or errors if the information necessary to correct the error or omissions is readily available to the Claims Administrator.
19. In order to remedy any deficiency in the completion of a Claim, the Claims Administrator shall request in writing that additional information be submitted by a Class Member who submits a Claim. Such Class Members shall have until the later of sixty (60) days from the date of the request from the Claims Administrator or the Claims Bar Deadline to rectify the deficiency. Any person who does not respond to such a request for information within this period shall be forever barred from receiving any payments pursuant to the Settlement Agreements, subject to any order of the Court to the contrary, but will in all other respects be subject to and bound by the provisions of the Settlement Agreements and the releases contained therein.
20. The claims process is intended to prevent fraud and abuse. If, after reviewing any Claim, the Administrator believes that the Claim contains unintentional errors which would materially exaggerate the Recognized Loss of the Canadian Claimant, then the Claims Administrator may disallow the Claim in its entirety or make such adjustments to determine an appropriate Recognized Loss for the Canadian Claimant. If the Claims Administrator believes that the Claim is fraudulent or contains intentional errors which would materially exaggerate the Recognized Loss of the Canadian Claimant, then the Claims Administrator shall disallow the Claim in its entirety.

21. Where the Claims Administrator disallows a Claim in its entirety, they shall send to the Canadian Claimant, at the email or postal address provided by the Canadian Claimant or the Canadian Claimant's last known email or postal address, a notice advising that the Claim has been disallowed and that the Canadian Claimant may request the Claims Administrator to reconsider its decision. For greater certainty, a Canadian Claimant is not entitled to a notice or a review where their Claim is allowed but the Canadian Claimant disputes the amount of his, her or its Recognized Loss or his, her or its individual compensation.
22. Any request for reconsideration must be received by the Claims Administrator within 45 days of the date of the notice advising of the disallowance. If no request is received within this time period, the Canadian Claimant shall be deemed to have accepted the Claim Administrator's determination and the determination shall be final and not subject to further review by any court or other tribunal.
23. Where a Canadian Claimant files a request for reconsideration with the Claims Administrator, the Claims Administrator shall advise Class Counsel of the request and make best efforts to conduct an administrative review of the Canadian Claimant's request within thirty (30) days.
24. Following its determination in an administrative review, the Claims Administrator shall make best efforts to advise the Canadian Claimant of its determination ("**Reconsideration Decision Notice**") within thirty (30) days. In the event the Claims Administrator reverses a disallowance, the Claims Administrator shall send the Canadian Claimant, at the email or postal address provided by the Canadian Claimant or the Canadian Claimant's last known email or postal address, a notice

specifying the revision to the Claims Administrator's disallowance.

25. The Claims Administrator's decision on a request for reconsideration will be binding upon the Canadian Claimant, subject to the Canadian Claimant's right to appeal, as outlined in paragraphs 26 to 32.
26. Where, following the determination of a request for reconsideration, the Claims Administrator continues to disallow a Canadian Claimant's Claim in its entirety, the Canadian Claimant may appeal the disallowance. Any such appeal must be electronically submitted within thirty (30) days of the date of the Reconsideration Decision Notice.
27. There shall be no right of appeal:
 - (a) where a Claim is allowed but the Canadian Claimant disputes the amount of his, her or its Recognized Loss or his, her or its individual compensation;
 - (b) in respect of claims filed after the Claims Bar Deadline; and
 - (c) in respect of Claims entitled to compensation of \$50 or less pursuant to this Plan of Allocation.
28. Appeals will be determined by a bilingual arbitrator appointed by the Court. The arbitrator shall apply the rules provided herein to any appeals.
29. Appeals shall be heard as expeditiously as possible, and on the basis of written submissions of the Canadian Claimant supported by any documentation provided to the Claims Administrator and any other material provided by the Canadian Claimant in support of the appeal. Notwithstanding the foregoing, the arbitrator, in his or her sole discretion, may request oral submissions to be made via

teleconference or establish additional procedures to be followed during the appeal in cases where he or she determines that is warranted.

30. The arbitrator, in his or her sole discretion, may mediate the differences at any stage in the proceedings and, if mediation is unsuccessful, continue to arbitrate the appeal.
31. The costs of the arbitrator and the Claims Administrator for a successful appeal will be paid from the Canadian Net Settlement Fund. For greater clarity, the Canadian Claimant shall have no entitlement to be repaid their costs (including any legal fees or disbursements) from a successful appeal. The costs of the arbitrator and the Claims Administrator for an unsuccessful appeal will be paid by the Canadian Claimant, except that the costs of the Claims Administrator may, at its sole discretion, be waived.
32. The arbitrator's decision on the appeal is final and binding and shall not be subject to any further appeal or review whatsoever.

ADDITIONAL RULES

33. No action shall lie against Class Counsel (as defined in the Settlement Agreements) or the Claims Administrator for any decision made in the administration of the Settlement Agreements and the Plan of Allocation without an order from the Court authorizing such an action.
34. By agreement between the Claims Administrator and Class Counsel, any deadline contained in this Plan of Allocation may be extended if, in their opinions, doing so will not adversely impact the efficient administration and it is in the interests of the Class to do so.
